INSECTICIDES — FERTILIZERS — PEAT MOSS — SPRAYERS — GARDEN TOOLS — SUPPLIES

MAKE YOUR SEED DEPARTMENT COMPLETE BY STOCKING THESE FAST SELLING PROFITABLE SIDE LINES —GET YOUR SHARE OF THIS BUSINESS—

You can give your customers much better service, make larger sales and make more profit by handling these well known fertilizers and insecticides. There is a tremendous volume of business done on all these items and each customer who buys seed or gardening tools is a prospect. Satisfy your customers by giving them 100% gardening service.

THIS IS THE ONE

If you could sell or use only one insecticide for Vegetables, Flowers and Fruits, This IS The One.

Highly concentrated, this new, safe, super-powerful liquid spray presents the wonder working properties of Rotenone and Derris in a new patented form; Activated, Stabilized, Scientifically Compounded, and far more Effective.

In addition to Killing insects by outside contact and as a stomach poison it also Permanently Paralyzes the legs and wings of some insects not hitherto effectively controlled by spraying. Insects so paralyzed that cannot fly or walk do not recover and the U. S. Department of Agriculture considers them dead. (See U. S. Treasury Specification #311) Actual tests have shown effective control of the following stubborn insects:

Red Spider
White Fly
Green Fly
Mexican Bean Beetle
Japanese Beetle
Spanish Fly (Blister Beetle)
Tomato Worms

Mealy Bugs
Leaf Roller
Rose Chafer
Cucumber Beetles
Harlequin Cabbage Bug
Coddling Moth
Leaf Hoppers
Aphids (Plant Lice)
Colo. Potato Beetle
Cabbage Worms
Thrip
Flea Beetle
and certain others.

Dilutions vary from 1 part in 200 to 1 part in 1,000.

Triple Kill is harmless to persons or animals if spilled on skin and may be sprayed on edible fruits and vegetables without leaving a dangerous poison residue.

No soap or spreader necessary; mixes readily with either hard or soft water.
